The St Ayles Rowing Skiff Project. Official Launch & Naming Ceremony

.....
**Mordialloc Sailing Club, Saturday 13th February, 10.00am.
12a Bowman Street Aspendale**
.....

Now after 11 months of building, and nearly 12 months of Covid, we feel we can officially launch our St Ayles Skiff. The culmination of the hard work and dedication of 25 community members will be recognised and invitations extended to the rest of the community.

This is an exciting stage in the development of this community project supported by the Parkdale Community Bank Branch of the Bendigo Bank.

B Bendigo Bank

Community Bank
Parkdale

The Mordialloc skiff is the 23rd skiff to be built and launched in Australia and is intended to be used by a variety of club teams as well as interested community groups.

On the day there will be a brief introduction to our Skiff, a dedication and naming ceremony and the opportunity to have a row (bare feet or boat shoes)

Please RSVP to msc@mordiallocsc.com.au

**kindest regards,
Drew Henry & Bart Scheen
